PRODUCTS CATALOGUE

PETROL ONE PLATINUM FULLY SYNTHETIC

PETROL ONE PLATINUM FULLY SYNTHETIC is advanced technology motor oil providing excellent performance in passenger car engines. Formulated to ensure excellent viscosity retention and superior engine protection under all driving conditions.

API Classification	SN	SN/CF	SM/CF
--------------------	----	-------	-------

SAE Grades	0W20	0W30	0W40	5W30	5W40	5W50
------------	------	------	------	------	------	------

PETROL ONE GOLDEN SEMI SYNTHETIC

PETROL ONE GOLD Is a unique lubricant for ultimate engine protection and performance. It is a multi-grade motor oil specially formulated with selected synthetic base fluids and race proven additive technology for use in passenger cars under all operating conditions.

API Classification	SM	SL	SN
--------------------	----	----	----

SAE Grades	10W30	10W40	15W40	20W50
------------	-------	-------	-------	-------

PETROL ONE PLATINUM AND GOLDEN

PETROL ONE FULLY AND SEMI SYNTHETIC diesel engine oil exceeding the most demanding European specifications and meeting the market demands for fuel efficient oils. It is formulated with selected synthetic base fluids and additives offering the best performance available for modern diesel engines.

API Classification	CK-4	CJ-4	CI-4	CG-4	CI-4/SL
--------------------	------	------	------	------	---------

SAE Grades	10W/40	15W/40	20W50	SAE50	SAE40
------------	--------	--------	-------	-------	-------

PETROL ONE MONOGRADE ENGINE OIL

PETROL ONE premium mono-grade oil for greater protection against thermal breakdown, wear protection and prolonged engine life. Formulated to ensure excellent viscosity retention and superior engine protection under all driving conditions.

API Classification	SF	SC	CD/SF	CC/SC
SAE Grades	40	50	60	40/50

PETROL ONE GASOLINE ENGINE OIL

PETROL ONE is a highest quality mineral based lubricant meeting the latest engine oil specifications. This product meets the severe demands of the new Seq III G Test which requires a significant boost in oxidation performance at TEOST MHT-4 tests.

API Classification	SM	SL	SJ	SF	SG	SF	SC
SAE Grades	10W30	10W40	15W40	20W40	20W50	40	50

PETROL ONE FOUR/TWO STROKE ENGINE OIL

PETROL ONE 4T/2T Multigrade engine oils are manufactured for modern gasoline engines. It is a superior quality multi-grade lubricants formulated with highly refined base stock and advanced additive technology meeting the requirement of API SJ/CF classification for gasoline engines. Meets and exceeds specification of JASO MA1 & MA2

	4 stroke	2 stroke
API Classification	SL	TC
SAE Grades	20W50	20 30

PETROL ONE INDUSTRIAL GEAR OIL

PETROL ONE INDUSTRIAL GEAR OILS are hi-performance, EP, industrial gear lubricants formulated with a sulphur-phosphorus additive system, which contributes to corrosion and oxidation inhibition and serves as a metal passivator. Designed primarily for industrial gear lubrication services where loads and shock loadings are high.

David Brown No. / Grade	2EP	3EP	4EP	5EP	6EP	7EP
ISO Grades	68	100	150	220	320	460

PETROL ONE GEAR OIL

PETROL ONE GEAR OILS blended with highly refined mineral base oil and selective additives for use in heavy duty operations are used in commercial fleet, manual transmission, axles and final drives. Protects from rust & corrosion and low temperature properties, gives good start in cold weather.

API Classification	GL-5	GL-4	GL-1		
ISO Grades	90	140	80W/90	85W/90	85W/140

PETROL ONE AUTOMATIC TRANSMISSION FLUID

PETROL ONE AUTOMATIC TRANSMISSION FLUID are high quality transmission, power steering and hydraulic system fluids. DEX III and DEX II is a super quality transmission fluid meeting General Motors GM Dexron Specifications.

Grades	DEXRON II
	DEXRON III
	TYPE-A

OTHER RANGE OF PRODUCTS IN PETROL ONE

MARINE OIL
ANTI-FREEZE CONCENTRATE
SUPER COOLANT

SUPER FLUSHING OIL
SOLUBLE CUTTING OIL
HIEP TRANSFORMER OIL

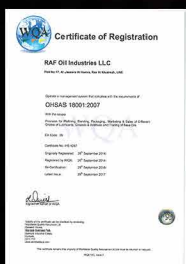

HITC HEAT TRANSFER FLUID
HEAVY DUTY BRAKE FLUID
LITHIUM & CALCIUM GREASE

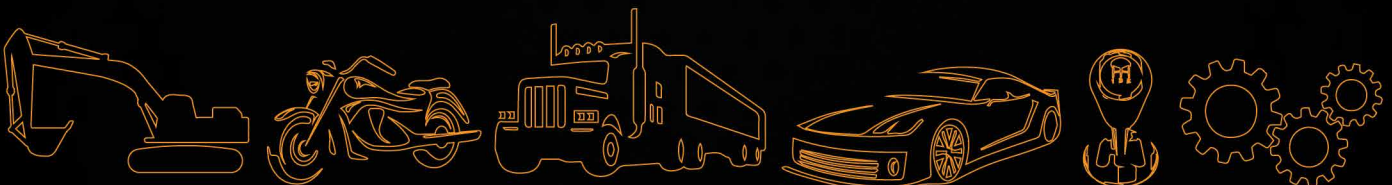

Expert in Lube Oil

PETROL ONE is committed to protect the health and safety of every individual who plays a part in our operations, visitors, customers and our contractors. we are committed to comply with applicable environmental, health and safety laws and regulations.

Our products are safe and have high application in the engineering, automotive and other industries to ensure proper working of machines and equipments. These are resistant to oxidation and recognized to international quality standards at cost effective prices.
